School *for all*

Certificate in Facilitating Teacher Leadership

is awarded to

Natalya Polyakova

in recognition of the successful facilitation of Teacher Leadership in Kazakhstan (TLK) programme in school and submission of evidence showing full participation in the TLK initiative, which took place between September 2021 – June 2022.

The award of this certificate recognises personal professional learning including the development of leadership capacity. The recipient has made a significant contribution to the development of practice, working collaboratively with others to enrich the educational experience of children and young people.
