School *for all*

Certificate in Teacher Leadership

is awarded to

Elena Glushchenko

in recognition of the successful submission of a portfolio of evidence showing full participation in the TLK initiative and the related leadership of a development project, which took place between September 2021 – June 2022.

The award of this certificate recognises personal professional learning including the development of leadership capacity. The recipient has made a significant contribution to the development of practice, working collaboratively with others to enrich the educational experience of children and young people.
